HOAC Members,

There is no daily roundup today as Huntington has taken a well-deserved day off. Instead, I will share with you another HOAC resource: a list of outbreaks by sector. This is not an exhaustive list, but it is a resource you can use if you need examples of outbreaks with media coverage in any particular sector, from bars to summer camps. We update this list regularly, so you can always ask us for an updated copy if you need it.

Thank you for all you do and have a great weekend.

Kat DeBurgh, MPH
Executive Director, Health Officers Association of California
